Attendance

Regular and punctual attendance is required at Parkview School. If a student is ill, at a medical appointment, at a funeral or honouring religious events/activities, please call the school and inform the office staff so the absence can be recorded as “excused”. Any other absence, such as vacations, cannot be excused according to the Alberta School Act. If a student is continuously late or has an extraordinary amount of absences, the school will notify the parents/guardians (by letter) of the school’s concerns around attendance, or may make a referral to the Alberta Attendance Board.

Bullying

Every student has the right to feel comfortable and accepted in our school. Any acts of bullying will receive zero tolerance. Bullying is considered a serious issue and a bylaw is presently in existence in Edmonton to educate and deal with the issue effectively. If any student is being bullied or witnesses an act of bullying, the incident **MUST** be reported to a teacher or administrator. The situation will be investigated and appropriate measures will follow. We encourage Parkview students to take an active role by standing up, speaking out and acting against injustice.

Cameras and Electronic Devices

Electronic devices may be used prior to school and during the lunch hour, and are permitted in class for educational purposes (i.e.: calculator), with teacher permission. Electronic devices not used for educational purposes must be stored in lockers during instructional times.

If students do not follow the above guidelines, cell phones, etc. will be confiscated by staff and turned over to school administration. *Parkview School is not responsible for lost or stolen electronic devices, phones, etc.*

Cell Phones

Cell phones *are not to be used in the school to make or receive phone calls, texts, etc.* and must be stored in lockers during instructional time. Students may use their phones, with teacher permission, for educational purposes (i.e.: calculator).

Dress Code

Students are expected to dress respectfully for a K-9 learning environment. Students wearing clothing that is deemed disrespectful, suggestive, provocative, insulting and/or unsuitable for public school including graphics depicting or suggesting violence, gang colors, profanity, pornography, alcohol, drugs etc. will be asked to change their clothing choice. Please see the full *Parkview Student Dress Code* for details.

Exemption from Physical Activity Based Classes

It is expected that students be prepared to be fully engaged in all of their school activities. If a student is unable to participate in a specific class or activity for medical reasons, a note is required to be shared with the teacher. Whenever possible, the student will still be expected to come to the class or activity ready to learn through observation, alternative assessments or assignments, and verbal participation.

Fees

Some optional courses have extra fees for items that are not covered by the school. These include items such as personal ear buds, art kits, etc. Other extra-curricular activities, such as athletic teams, have fees as well to help cover the costs of referees, transportation, etc.

Fee sheets are sent home at the beginning of the school year once options are set, and individual permission/fee information sheets are also sent home from the Lead Teacher/Coach/Supervisor when a student makes a sport team or join an extra-curricular activity. These fees are due upon receipt.

Field Trips

Field trips are an integral part of the school program. They offer first hand experiences related to the topics being studied in the school. Moreover, they extend learning beyond the walls of the classroom and help students gain an appreciation for the wealth of community resources available to them.

While there are no instruction fees charged for field trips, monies are collected to pay for admission fees and/or transportation charges. Throughout the year, classroom teachers will send home information sheets outlining the purpose, format and cost for each field trip or cultural event.

Fighting

Physical or verbal threatening as well as fighting or watching a fight is not permitted. Parents of students who were involved will be immediately notified and students will be suspended. The possession of any weapons will lead to automatic suspension and possible expulsion.

Homework

Since students have responsibilities at home and interests outside of school, they are generally given class time to work on assignments with teachers who provide guided practice. Homework typically consists of completing unfinished assignments, extra practice in an area requiring review, and review of concepts learned that day. Homework may also include completing long term assignments.

Homework helps students develop self-reliance and good study habits. It enables parents to see their child's progress, and strengthens the ties between home and school. Please review your child's Agenda Book each evening to ensure that all assignments are completed. Parents can help with assignments by:

- Providing a quiet, regular place to work.
- Helping the student to organize their materials and use their time effectively.
- Keeping the student on task.

If a student or parent wishes to obtain information concerning homework, they can access this information through **SchoolZone**.

The support and interest of parents has a considerable influence on a student's attitudes toward homework. If you have questions about the amount of time spent on homework, please talk to the teacher.

Injury and/or Illness

Students who feel sick during the school day, shall notify their teacher or report to the office for assistance. When a child leaves due to illness, the office requires parental/guardian consent. In the event of an injury, school staff will contact the child's family or emergency contact and complete an accident report.

Late Policy

You will be considered late if you are not seated in your classroom desk when the bells ring. If you arrive late for you must report to the office. If you do not have a medical note or phone call excusing your late there will be detention assigned by the administration to make up this time. Students who are late require a late slip from the office before they will be admitted into their classes.

Learning Resource Centre

If a student has a note from home for permission to leave school early, he/she will show it to the teacher and then present it to the general office for permission to leave. Since we are responsible for the students' well being, we must know their location at all times.

When a child is to be excused early, please follow this procedure:

- Parents or guardians should pick up their child.
- Parents are required to call or sign out the student at the office.

Lockers

All students will be assigned a locker requiring a combination lock. The office sells combination locks or students may purchase and bring their own locks. Please use sticky tack or magnets inside lockers. No open food or drinks should be stored in lockers.
